

WNS DIMPLE DIES (DD09)

- 3.0mm Capacity Mild Steel
- Manufactured with Carbon Steel
 - Strengthens Panels
 - c/w 9 Dies
 - c/w Metal Case
- Sizes Included Range From 1/2" to 3"

WNS DIMPLE DIES (DD09) are CNC manufactured dies made of carbon steel that are designed to improve the strength and appearance of panels. Commonly used in sheet metal fabrication, they are popular in industries such as auto restoration and aircraft restoration. They are also great for aesthetic purposes, including creating decorative panels in sheet metal. Please note, centre holes must be measured and drilled before the dimple die can be used.
